Final Water Calculation Procedures

Final Water Calculation Procedures:

A Final Water Calculation is typically completed there is a sale on the property and/or change of ownership. There are other circumstances for Final Water Calculations which may include Foreclosure Property, Short Sale Property, Rental Property & etc. whatever the circumstance may be in order for a Final Water Calculation to be completed the following steps should be followed: The customer will need to call the Macomb Township Water & Sewer Department at (586) 598-0687 and provide a physical reading from the water meter which is six (6) digits from left to right. The Final Water Calculation is quickly calculated via phone.

Payment Methods for Final Water Calculations:

The methods of payment for Final Water Calculations are guaranteed payments which include (cash, certified check, money order & title company check) and are written to the "Macomb Township Treasurer". If the guaranteed payment is walked into the Macomb Township Treasury Department the customer will be provided with a paper receipt.

Payments can be mailed to:

Macomb Township Treasurer
54111 Broughton Road
Macomb, MI 48042

Please Note: Any payments mailed for existing balances that are included in the Final Water Calculation (that are not guaranteed payments) will not be accepted and will be mailed back to the sender.

Should you have any additional concerns, please contact the Macomb Township Water & Sewer Department at (586) 598-0687.

Thank you,
