### 3. PROJECT DESCRIPTION

Type of Job ____ Single Family ____ Commercial ____ Industrial ____ Manufactured Home ____ Remodel ____ Other
Describe Project:

### 4. ELECTRICAL CONTRACTOR AFFIDAVIT

<b>Electrical Contractor Affidavit:</b> I hereby certify that the proposed work is authorized by the owner and that I am authorized by the owner to make this application as his Qualifying Master. I agree to conform to all applicable laws of the State of Michigan and the local jurisdiction. "Section 23a of the state construction code act of 1972, Act No. 230 of the Public Acts of 1972, being section 125.1523a of the Michigan Compiled Laws prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a building or property. Violators of section 23a are subject to civil fines."	
Signature of Contractor	Date

### 5. HOMEOWNER AFFIDAVIT

<b>Homeowner Affidavit:</b> I hereby certify that the work described above shall be installed by myself in my own single family dwelling in which I am living or about to occupy. All work shall be installed in accordance with the State Electrical Codes and shall not be enclosed, covered up or put into operation until it has been inspected and approved by the Electrical Inspector and assume the responsibility for the arrangement of all necessary inspections. I understand that if the above mentioned conditions are not met, it will be required that a licensed and registered contractor obtain another permit, thereby verifying compliance of the above requirements.	
Signature of Homeowner	Date

### 6. NOTICE TO APPLICANT

<b>Plan Review Requirements:</b> Plans and specifications for new construction work, alteration, repair, expansion, addition, or modification work shall be prepared by or under the direct supervision of an architect or engineer licensed pursuant to Act No. 299 of the Public Acts of 1980, as amended, and shall bear that architect's or engineer's signature and seal, A PLAN REVIEW IS REQUIRED BEFORE A PERMIT CAN BE ISSUED. Exception 1: Alterations and repair work determined by the Electrical Inspector to be of a minor nature. Exception 2: Work completed by a governmental subdivision or state agency costing less than \$15,000.00. Exception 3: A building containing not more than 3,500 square feet and service not more than 400 amps.
