Sign Application Requirements

1. Building Permit Application – To be filled out completely and signed. A copy of the sign specialist license, sign contractor's license and driver's license are required.
2. Electrical Permit Application (if applicable) – To be filled out completely and signed. A copy of the sign specialist license, sign contractor's license and driver's license are required.
3. Two (2) copies of sign details including: site plan, location, size, height, type, lighting, building elevation, and attachment details.

A \$500.00 bond is required at time of permit payment for all ground signs.

The bond return process will begin after the final sign inspection is done.

Inspections Required

Wall Sign – Final
Ground Sign – Open Hole
