### Residential Addition Permit Requirements

#### APPLICATION FOR RESIDENTIAL ADDITION PERMIT REQUIREMENTS:

1. Application to be filled out completely and signed. Copy of builder's license (if builder is applying for the permit) and a copy of driver's license.
2. Submit two (2) plot plans (can be obtained from the Building Department) showing the existing home and the new proposed addition with set back dimensions to side and rear lot lines and indicate the size of the new addition.
3. Submit two (2) sets of construction drawings indicating footing/foundation plans, floor plans, wall sections, elevations, braced wall plans, truss specs and energy compliance.
4. Copy of Soil Erosion permit required **only** if the building is within 500 ft. of a watercourse or if a basement is going to be placed under the new addition.
5. Electrical, Plumbing and Mechanical permits required if work applies to the new addition.
