Re: Michigan Inter-governmental Trade Network (MITN)

The Michigan Inter-governmental Trade Network (MITN) is a collaborative e-procurement and bid notification system. This system was created in conjunction with BidNet® for supplier registration and is used by public agencies and suppliers in Michigan.

Macomb Township has partnered with MITN since 2010. In this partnership, Suppliers have a single point of contact, and broader access to new business opportunities in Macomb Township. MITN provides the following benefits:

***Centralized Access to Public Procurement Opportunities***

***24/7 Online Availability***

***Automated Notifications and Alerts***

***Broader Market Reach for Suppliers***

***Process Efficiency and Cost Reduction for Agencies***

***Improved Transparency***

Registration to receive automated notifications and alerts for Macomb Township procurement opportunities, visit [www.mitn.info](http://www.mitn.info) or call BidNet® Direct, (800) 677-1997.

Should you have any questions regarding MITN registration, please call BidNet® Direct, (800) 677-1997 or any public entity listed herein.

Sincerely,

Kristi Pozzi  
Township Clerk
