

Master Plan - Community Open House

Thursday, September 23, 2021

4:00 p.m. - 8:00 p.m.

Macomb Township Recreation Center
20699 Macomb Street, Macomb, MI 48042

Macomb Township cordially invites you to join us at a Community Open House to discuss the ongoing Master Plan efforts. The Master Plan is a vision for the future, acting as a guide for development and planning for years to come.

The Planning Commission is hosting this Open House to receive input from the public regarding the Township's Master Plan update. The Open House will have a number of interactive stations that focus on a variety of topics. This will also provide the public with a first look at many of the draft elements of the ongoing plan. It is an opportunity for you to interact with Township staff and discuss key issues and concerns with them.

The success of the Master Plan will be aided by the input we receive from you. Please join your neighbors, local business owners, and Township officials and help us shape the future for Macomb Township!

Topics to be discussed include:

- Parks, recreation, trails, & open space preservation
- Town Center development
- Utility & infrastructure development
- Housing options & Neighborhood development
- Zoning & Land Use
